Earwiggo Barging is a new publication from the YAMSEN:SpeciallyMusic team - sponsored by the Heritage Lottery Fund. It details how to recreate the music, dance and art activities YSM developed for their Multi-sensory events which Celebrated the Bicentenary of the Leeds Liverpool Canal. These activities were designed to enable children and young people with additional needs to join in at their own level.

The evening will include hands-on session where we introduce the activities and explore how to use the book.

Copies of Earwiggo barging will be available at the launch for the reduced price of £10 plus one free pupil's book
(books are usually £15 per leader's book and £2.00 per pupil's book)
